VIDEO: OUR TRIP TO TUNISIA TO UNIVERSITY OF EZ-ZITOUNA

All praise is due to Allah most High, We are delighted to announce that our full academic agreement with the esteemed **Ez-Zitouna University** is now finalized, after our signing ceremony which took place on Saturday, Oct 19th.

This journey began several months ago when members of our board of trustees and our administrative team traveled to Tunisia to meet with the university officials at Ez-Zitouna. We received a warm welcome in Tunisia and were greatly humbled to be able to visit one of the oldest universities in the world with such a strong legacy of Islamic scholarship. We hope that this new partnership is the beginning of many more opportunities to come that will help to bolster and expand our ability to give our students the best educational experience possible.

Below is a video, as well as a few pictures from our wonderful trip to Tunis. [You can also view more pictures on our Facebook page.](#) In addition, stay tuned for pictures and video from the signing ceremony which took place in Tampa in the next newsletter. May Allah accept this important milestone for our University and enable us to continue making an impact in Islamic education.

MAKE THE INTENTION FOR YOUR FUTURE

Today, Islam faces great challenges from inside and out - misinformation, misinterpretations, and a lack of solid understanding of Islam's principles are just some contributing factors.

Authentic knowledge can make a difference. Our righteous predecessors went to great lengths to seek knowledge and stay true to the way of the Quran and Sunnah - at Mishkah we strive to maintain that same commitment today, providing access to authentic Islamic education within a balanced framework to students from around the world. Proper knowledge, correctly implemented, brings about better individuals, families, neighbors and community members who through their words and actions are also better ambassadors of Islam.

We pray that Mishkah's students will be the next generation of teachers, imams, daees, mentors, leaders and Muslim global citizens. Through education, you can empower yourself and others and promote Islam's true values. **Registration for our Spring Semester doesn't begin until Dec 1st, but as a new student you can still make the intention and apply now for admissions.**
